

We were scheduled to have a meeting on Wednesday Mar 13, however CU Boulder announced a snow day and we pushed our weekly meeting back to Friday Mar 15.

This was also the week that milestone 3 was due during recitation period. We met with our TA during this time, but we also checked in with each other as a team. This lead to a short and brief meeting on Friday. Members present during Friday Mar 15 meeting: Tianchen, Nick, Lara
